

Open Enrollment for 2022 Health Insurance Marketplace Plans is Almost Here!

Login and complete or update your application on **healthcare.gov** to compare plans and ensure you choose the one that is right for you and your family.

Enroll Virginia staff are trained and certified by Virginia's State Corporation Commission to provide free one-on-one assistance, **to make enrolling easy.**

You can enroll in coverage any time between from **November 1, 2021** to **January 15, 2022.**

Most Virginians qualify for **financial help** when enrolling in a ACA plan. Some will qualify for a plan without a monthly premium and **extra help with deductibles and out-of-pocket-costs.**

Enroll Virginia navigators are available to provide **free, unbiased assistance** through in person, phone, or video-conference appointments.
